

WINE LIST

We at Braza have sourced the world to find wines that will accompany our wonderful Brazilian food. We have taken a Latin themed approach and searched Brazil, Chile, Argentina, Spain, France, Australia and New Zealand for the finest wines available. Please take a look at some different and exciting varieties from regions you may not have even heard of before.

Enjoy!

CORAVIN™

The Coravin system is a unique wine preservation system. It allows us to pour wines from our best bottles, while leaving the cork where it's been since it was first sealed in the winery. When using the Coravin System, a thin, hollow needle is inserted through the cork to extract the wine; at the same time an odourless and tasteless gas (argon) is inserted into the bottle to replace the space created by the extracted wine. No removal of foil or cork is required in order to access the wine. Wines dispensed using the Coravin system are indicated by a small Coravin logo.
